

ACTION TAKEN REPORT ON THE PREVIOUS ACADEMIC AND ADMINISTRATIVE AUDIT COMMITTEE - 2017 - 2018

Sl. No.	Recommendations of the Academic and Administrative Audit Committee	Action Taken
1	To be shifted to new campus as a model college	A new Academic Block with 12 class rooms is constructed with financial assistance from Govt. of Puducherry and RUSA and the class rooms are shifted to the new building and functioning from August, 2019.
2	Must apply for more courses and PG courses in the subjects of UG courses	Proposals have been submitted to Government of Puducherry and Pondicherry University for starting of new PG / UG courses viz., B.Sc. (Mathematics) and B.Sc. (Geography) from the Academic Year 2019 - 2020 . But the same could not be materialized due to various Administrative reasons.
3	Should apply for 12B status to get funds from UGC and other Central Govt. Agencies	The college is already covered under Section 2(f) of the UGC Act, 1956 and this college has insisted the Pondicherry University, to grant permanent affiliation to this college, which is mandatory to apply for 12(B) status from UGC. But due to non availability of own campus, permanent affiliation cannot be obtained from PU.
4	Should motivate the students for Entrepreneurial ship development	An Entrepreneurship Development Cell has been established and functioning in this college, under the Entrepreneurship Development Cell, Dept. of Industries and Commerce, through which training are being provided to the students and workshop on Women Empowerment and Entrepreneurship Skill Development Training was given to the students during March, 2017.
5	The college must have MOU for the academic, skill development, placement and other co-curricular and extra-curricular activities with industries and other agencies	Every year final Year students are given Soft Skill/ Advance Technology Skills training under the IT Finishing School Project of the Puducherry e-Governance Society, an undertaking of Directorate of Information and Technology, Govt. of Puducherry.
6	Through consultancy services, research projects and CSR initiatives, the faculty must generate revenue to the college.	Faculty members are motivated to apply research projects and three research projects are sanctioned by the Department of Science, Technology & Environment, Govt. of Puducherry, Puducherry

7	The college must adopt a village and involve the students in activities like adult literacy, ICT literacy, Evening Classes, awareness programmes on health and hygiene, legal aid and Swatch bharath	This college has adopted a village by name Ramanathapuram in Villianoor Commune, since 2013, as a part of its extension activities and various activities like adult literacy, ICT literacy, Awareness programmes on health and hygiene and Swatch Bharath are conducted through the NSS Unit of this college.
8	The Alumni and Parent Teacher Associations must registered and involve them in the development of the institution	Action is being taken to register the Alumni and Parent Teacher Associations, which are functioning in this college.
9	Must adopt Green and Energy audit in the college	An Energy Club, under the Renewable Energy Agency, Puducherry (REAP) is functioning in this college from the year 2018. Awareness Programmes and Rallies are conducted through the Energy Club. An Eco-Club, under the Dept. of Science, Technology and Environment, Puducherry is functioning from the year 2017 - 2018.
