NATIONAL EDUCATION POLICY 5 Year Plan

- Align all undergraduate programmes offered by IGCAS into 4 year courses under NEP as per the decisions of the respective Board of studies of Pondicherry University.
- Develop required infrastructure to accommodate the additional classes and other facilities needed for the implementation of the NEP.
- Follow an interdisciplinary approach in offering the courses.
- Foster more industry partnerships to boost internship based skill enhancement.
- Encouraging the adoption of e-learning methodologies as envisaged in the NEP.
- Thrust on Sports & other extra- curricular activities to enable overall development of students.
- Developing and shifting to own premises and attempt for Autonomy.
